Received By: Manuel Valdez
Requested By: R. Ward
Priority: Urgent **District:** 3
Status: Completed

Request Assigned to: Manuel Valdez
Initial Repair Date: 4-30-08
Completion Date: 5-1-08

Progress Report:

I received a request from Ron Ward regarding a damaged guard rail on E. 12th Street - Overpass. Work was coordinated to ensure safety and work requirements railing was pre-fabricated to specified dimensions, installation of new metal plates attached to concrete foundation using anchor bolts then sections of rail were set in place.

This project was coordinated and performed by:

Public Works Maintenance Workers:
Art Mitchell & John Pankey

Street Maintenance Leader:
Renard Noble

Heavy Equipment Operators
Tim Trawick & Rodney Lee

Concrete Finishers:

Jose Javier, Rudy Molina, &
Revenario De La Torre

Contacts: Manuel Valdez - (510) 615-5979
Public Works Supervisor I
