

You are cordially invited!

Oakland Goes Natural

Compressed Natural Gas (CNG) Public Access Fueling Station

Grand Opening & Ribbon Cutting Ceremony

Thursday, July 26, 2007

Celebration & Press Conference start at 10:00 a.m.

**205 Brush Street
Oakland, CA 94607**

Join the Collaborative Team of the City of Oakland Public Works Agency, Port of Oakland, Bay Area Air Quality Management District, California Energy Commission, and Clean Energy for an informative program and celebration of the grand opening of a new CNG station, centrally located in West Oakland for consumer use 24/7.

Oakland Goes Natural program will include District 3 Oakland City Councilmember Nancy Nadel as emcee and speakers will include: Susanne Garfield, California Energy Commission; Jack Colbourn, Outreach & Incentives Director, Bay Area Air Quality Management District; Raul Godinez, Public Works Agency Director, City of Oakland; Joe Wong, Deputy Executive Director of Operations; Doug Cameron, Regional Manager, Northwestern United States, Clean Energy.

Benefits of CNG are essential in our efforts to Go GREEN!

It's Cheaper – fuel costs average 20 to 40% less than diesel or gasoline

It's Cleaner – emits 20 to 40% fewer greenhouse gases than diesel or gasoline

It's Domestic – 98% used in the U.S. comes from North America

It's Renewable and it's the Bridge to Hydrogen!

CNG Station at 205 Brush Street is open to the public 7 days a week/ 24 hours a day and accepts Visa, MasterCard, American Express, Voyager, and Clean Energy cards.

Motorists can exit I-880 or I-980 to get to Brush Street and 2nd Street.
